BRENHAM, WASHINGTON COUNTY, TEXAS, THURSDAY, NOVEMBER 3, 1881.

THE St. Louis and San Francisco railroad soon to be built through the Indian territory will come to Paris, Texas, thus disappointing the Gate City, Denison, which has been expecting it.

THE Dallas Herald accuses papers that do not have as long editorials as it has of jealousy. The Herald is a popular and successful paper of which none of its contemporaries should feel in the least jealous. THE building of fine resi-

denues in Washington during the past year cost \$1,951,970. It is becoming fashionable for rich senators and congressmen to erect their own vines and fig trees, and it costs money. AT Tyler the committee of attorneys to whom the ques-

tion of contest of the university

election was submitted, report-

ed in favor of contesting. It

now remains with the city counat Washingcil to contest. LIEUT. C. J. CRANE of the Twenty-fourth United States Infantry has been detailed as professor of military science and tactics for the A. and M. college of Texas. He is now stationed with his company at

Fort Elliott, Texas. SENATOR BLAIN tells his friends that he will certainly leave the cabinet in December, that he has not been invited to remain, and if he had he would not have done so. He says all of the Garfield cabinet except Lincoln will go out.

A WASHINGTON special to the Galveston News says that the Texas republicans say that J. W. Hackworth will be postmaster at Brenham, but senators Coke and Maxey are endeavoring to have Bryan reinstated. It is uncertain which will secure

THE Cuero Bulletin has been bored with anonymos communi-cations. Notwithstanding the many warnings to writers to furnish their names they heed not, and their communications are not heeded, but are heaved into the waste basket. THE Mississippi river conven-

tion is now in session at St. Louis. They want all projects for the improvement of the Mississippi river submitted to the committee which will be appointed by the convention. The idea is a practical one and will no doubt be carried out. TYNER, the first assistant

United States in September aggregated nearly 50,000. In the postmaster general has resign-ed and his resignation has been September the number was about 172,000, being an increase accepted. He had previously been informed taht his resignaation would be in order. The name of Frank Hatton, of the Burlington Hawkey will be sent to the senate as Tyner's Successor.

A LIVELY skirmish occurred | the ebbing of the tide. formance at Cartersville, Whiskey was freely drank and fight a fight ensued between circus men and citizens. negro was shot and killed: two circus men and several citizens were shot, and the lioness made her escape and is still at large. hotels.

THE BANNER was in error in tating that Belton had voted against taking charge of the public free schools. We are pleased to learn from the Journal that the vote was almost unanimous in favor of the city taking charge of the schools and when they are in successful operation Belton will date a new era of prosperity from that time

JOE JEFFERSON has incurred the displeasure of the Ladies Sabbath Association of St. Louit by acting there on Sunday. He explained that he was averse to playing on Sunday, and only agreed to do so in St. Louis because the management suggested that it was the custom of the place, and that there were no conscientious scruples

THE Baltimore American says it is neither a prophet nor the son of a prophet, but that James G. Blaine, of Maine, will elected in 1884. We are neither a prophet nor the son of a prophet, but we are of the opinion that Mr. Allen G. Thourman, of Ohio, W. S. Hancock, of Pennsylvania, Sam'l J. Tilden or some other strong democrat will mix it with him. rails as rapidly
